There are three options of PAR Service that are being offered.

Based on what you believe will benefit you most in your present situation – your choice!

Please remit this form and fee for your preferred choice and materials will be forwarded to you.

- Standard Pricing Analysis Report (PAR) \$785**
This includes the PAR - the standard report with the economic benefit of fee changes without any Coaching.
- Individualized Profitability Coaching \$1,250**
This includes the PAR Analysis, MIS Analysis, "what if" analysis, and 1 1/2 hours of Profitability Strategic Response Integration and telephone Coaching.
- Zip Code Fee Only List \$165**
A listing with each of the ADA Codes and Fees for the 40th, 50th, 60th, 70th, 80th, 90th, and 95th percentile ranking, determined by a national database, based on the first three digits of your ZIP Code. You do the self-directed analysis of data..
